#### T Off 4 Autism

c/o Just Architecture 572 Henry Street Brooklyn, NY 11231 718.855.1237 mjust@mjarch.com toff4autism.org Once again we gather here to eat, drink, play golf and most importantly raise money to further our cause. We can gather any time or place to play golf and enjoy a good meal but today our first goal is to help others. There has been so much written about the epidemic proportions of Autism cases that we don't need to repeat it. We all have loved ones or know someone who has been touched by and impacted by Autism. Make no mistake, Autism impacts more than one person, it impacts entire families.

So we gather to raise money to help our partners with research and education and family support, so that until we can find a cure for Autism we can make life better for those families whose lives are affected.

Last summer Tee Off 4 Autism ran the first ever Golf Clinic for autistic children on Long Island here at Tam O'Shanter Country Club. The participants ranged in age from as young as 6 to 18 years old. On June 10th we ran our second clinic which was again a huge success for the kids and the Pros. Teaching pro Anthony Cancro said it was "by far the most fulfilling day as a golf pro" and one of the highlights of his career. And the kids - "Sadi, a 7 year old, had a blast and now loves golf. It also boosted her confidence", according to her parents, "It was a great day!" Who could ask for a better endorsement? We will again run the clinic in the fall so more kids can participate. We expect to fill all the slots and bring a lot of smiles.

We have also decided to not to just limit golf to a once a year event in the summer – we are now planning to have a golf outing this winter at a Golf Simulator Club. We'll play an iconic golf course and shake out the winter blues while we raise some more funds to support our cause.

We are looking at additional events to be held in the fall, like a Dueling Pianos Concert, Beer Garten dinners and much more...all with one goal in mind – To Support Our Communities.

Which brings us to you. We can't do it alone, we need your help, our loyal friends, neighbors and business associates. We pledge to you that we will continue to work towards finding a cure and making life better for people and families effected by Autism.

We thank you for your continued support and friendship and thank you for making a difference!

Michael Just President, T Off 4 Autism

# 2017 HONOREE

#### THIS YEARS HONOREE GERARD CROZIER

Gerard Crozier was born in Brooklyn and raised in Rockville Centre. As the youngest of seven children he certainly understood sharing! After graduating St. Agnes High School Gerard earned a BA in Business from Molloy College. While studying for his degree Gerard began working in Commercial Real Estate. Since then Gerard has worked and managed Commercial Real Estate Properties for private and public companies across the country. In 2007 Gerard founded his own company, GLK Property Services Ltd, which is a Real Estate Maintenance Company working with some of the largest publicly traded Real Estate companies in the country.

Gerard lives in Syosset with his wife Kelly and his daughter Alexa. While building a business and a raising a family, Gerard has always found time to give back to his community. For thirteen years while living in Rockville Center Gerard was a Volunteer Fire Fighter. When he moved his family to Syosset Gerard did not stop, he continues, for over ten years now, to volunteer with the Syosset Fire Fighters.

Gerard is a regular volunteer for his Church and various Community projects, giving back is an important part of who Gerard is.

This year we are lucky that Gerard has turned his attention to the need of raising funds for the various Autism organizations T-off-4 Autism supports. We look forward to sharing Gerard's experience and energy to make T-Off-4 Autism the success that has become a tradition.

Gerard is excited and honored to be this year's honoree. With his efforts and your enthusiastic support T-Off-4 Autism will continue to raise an extraordinary amount of funds to continue our contributions to the many Autism Organizations whose work and programs we support.

Thank you for your support.
